馆长寄语

守正创新“图”发展 勇毅前行“书”新篇

2022年是党的二十大召开之年，也是落实“十四五”规划的关键之年。图书馆秉持“一切为了读者，为了读者一切”的服务理念，克服重重困难，战疫情，守主业，拓新局，全力保障图书馆正常开放，推动图书馆事业持续发展。

2022年，党的二十大是党和国家的大事。图书馆举办“图说交图党建——喜迎党的二十大图片展”和“学习宣传贯彻党的二十大精神专题书展”，引导广大师生以习近平新时代中国特色社会主义思想为引领，听党话，跟党走，建功新时代。

2022年，是特别艰难的一年。胸怀大局、敬业爱岗的图书馆人经受住了考验。上半年在抗击疫情保卫战中，有91位馆员入校住宿，奋战在一线，倾力服务师生。年底，在81%的馆员染疫的情况下，图书馆依然保证了正常运行，已连续两年节假日无休开放，这背后凝聚了全体馆员的辛勤付出和无私奉献。

2022年，图书馆推出多项创新举措。开放24小时未来学习空间，小组学习室新增面询功能，开设共享办公位。开展高被引学者分析与潜力预估、图灵奖群体画像及学术成果分析、李政道研究所竞争力分析，推进学科评估、人才评估、领域态势、专利分析和决策咨询等高水平情报服务。在国内率先建设全球科学技术奖项成果数据库，引进Web of Science回溯数据库、Springer回溯电子书数据库，以数据驱动创新发展……

2022年，图书馆向国际化、智能化大步迈进。入选国际大学图书馆协会IATUL理事，机构知识库向全球开放，对标世界一流大学提供教参保障，5G技术赋能升级智慧服务，实现座位预约精准管理……

2022年，图书馆影响力持续扩大。“以天之语、解物之道——走近李政道”巡展走向全国，成立上海交通大学图书文献一体化服务联盟扩大服务范围，主办第十五届图书馆管理与服务创新论坛广受关注。

2023年，在党的二十大精神指引下，图书馆将继续围绕学校战略目标，积极作为，勇担职责，以饱满的热情和精湛的技能，用心用力用情服务师生，敢想敢拼敢干推进各项工作，为学校“双一流”建设做出积极贡献。

MESSAGE FROM THE LIBRARY DIRECTOR

Uphold fundamental principles and break new ground to seek growth Forge ahead with enterprise and fortitude to write a new chapter

2022 witnessed the opening of the 20th National Congress of the Communist Party of China (CPC) and the implementation of the 14th Five-Year Plan (2021-25). Adhering to the service concept of "Doing Everything for Readers", the library has overcome numerous difficulties, fought the epidemic, kept regular service hours, pioneered new horizons, and made every effort to ensure the library's normal opening and promote its sustainable development.

In 2022, the convening of the 20th National Congress was a major event for the Party and the country. The library held the "Photo Exhibition of Party Building in SJTU Libraries – Welcoming the 20th National Congress of the CPC and the "Book Exhibition on Learning and Implementing the Spirit of the 20th National Congress" to lead students and staff to take Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era as its guides to action, to follow the Party and set goals in the new era.

2022 was a particularly tough year. With great dedication and service spirit, the library staff withstood the test. In the first half of the year, 91 librarians were stationed on campus during the battle against the epidemic and worked on the front line to serve students and teachers. At the end of the year, even with 81% of the library staff infected with the virus, the library maintained its normal operation. The library has stayed open all year round even on holidays for two consecutive years, which could not have been possible without the hard work and selfless dedication of all library staff.

In 2022, the library launched several innovative initiatives. A 24-hour future learning space was opened, a new interview function was added to the group study room, and a shared office workstation was set up. We conducted analysis on highly cited scholars and their potential, Turing Award group portraits and academic achievements, and the competitiveness of the Tsung Dao-Lee Institute to promote high-level intelligence services such as discipline assessment, talent evaluation, field trends, patent analysis, and decision-making consultation. We take the lead in building a database of global science and technology awards in China and introduce the "Web of Science" database and "Springer e-book database" to drive innovation development with data.

In 2022, the library made great strides toward internationalization and intelligentization. The library is selected as the board of director of the International Association of University Libraries (IATUL). The institutional knowledge base is opened to the world and provide reference resources for students and faculty with the standard of world-class universities. 5G was secured to upgrade intelligent services and the accurate management of seat reservation was achieved...

In 2022, the library's influence continued to expand. The exhibition "Interpreting Things in the Language of Heaven – Approaching T.D. Lee" toured nationwide. We established Literature Integration Service Alliance of Shanghai Jiao Tong University Library to expand the service scope and hosted the 15th Creative Forum for Library Management and Service (CFLMS), which attracted wide attention.

In 2023, under the guidance of the spirit of the 20th National Congress, the library will continuously focus on the strategic goals of the university, positively act, bravely shoulder responsibilities, enthusiastically and professionally serve students and teachers with heart and soul, daringly think and proceed to promote the work, and proactively contribute to the construction of "Double First Class" (The World First Class University and First Class Academic Discipline) university.
